

## Winter Intensive Study Program in Analytical Psychology

February 18 – February 23, 2019

This Winter Intensive Study Program will lay emphasis on **fundamentals, fairy tales, dreams and religion.**

It is intended that lectures, seminars and discussions can be followed by those who are new to Jungian Psychology, but will at the same time be of value to those with professional psychological training and interests. The courses are taught by analysts of the Institute and internationally renowned guest lecturers.

### LECTURES
