

Summer Intensive Study Program in Analytical Psychology

July 1 – July 6, 2019

This Summer Intensive Study Program will lay emphasis on **fundamentals, myths, leadership, pictures and mourning**.

It is intended that lectures, seminars and discussions can be followed by those who are new to Jungian Psychology, but will at the same time be of value to those with professional psychological training and interests. The courses are taught by analysts of the Institute and by internationally renowned guest lecturers.
